

2018 Candidate statements:

Jim Shea

Serving as a Board Member, representing the families that make up Hillwood Soccer has been a wonderful experience.

We have 3 children. Our two oldest started playing Hillwood Soccer at age 5. Our wonderful experiences led me to want to get more involved. Hillwood Soccer has allowed us to build so many wonderful friendships with families within our community. How did I first get involved in Hillwood Soccer? First as an Assistant Coach, then as a Team Manager.

Six seasons ago, I learned that there was an opportunity to get more involved. I have served as a Registrar and as a Parent Representative. It has been a wonderful experience and I would be honored to continue to serve the Hillwood Soccer Community as a member of the Board of Directors. Our youngest child is 3, and she is already showing signs that she will be playing soccer in 2 years. We expect to be part of Hillwood Soccer for many years.

Away from Soccer, Renee (my wife) and I have 3 children (Tyson - 14, Delaney 10 and Cassidy 3.) I am a Supply Chain Manager for MOD Pizza.

Phil Herold

I would be honored to continue to serve as a Hillwood Soccer Club director, where I currently hold the position of corporate secretary.

The club has a long tradition of serving this community by focusing foremost on the players, being of service to the coaches, and maintaining strong ties with local organizations and institutions. My intention is to apply my experience in governance and operations matters, particularly related to soccer organizations, to steer the club through the legalities of maintaining 501(c) (3) tax-exempt status under the bylaws, while preserving the traditional operations and core values of the club.

Outside of my service to youth soccer, I am a freelance marketing writer specializing in business-to-business, technology and healthcare.

David Reichgott

Dave has been involved with youth soccer since 1978 as a parent, as a coach, as a referee, and he has served on the Hillwood Board since 1995. Dave served as Hillwood Disciplinary Representative to SYSA from 1995 – 2015, and as a Hillwood Director from 2014 – 2018. He is a firm believer in the value of recreational youth soccer and is a staunch advocate that all youth are afforded an opportunity to participate.

Maria Yasuil would be honored to serve as the Hillwood Soccer Club Treasurer. After years of cheering from the sidelines, I would enjoy taking a more active role in the club as a member of the Executive Committee.

I am excited to take on this volunteer opportunity to support youth soccer in the greater Shoreline area.
