

Hillwood Soccer Club, Shoreline Washington

12-3-2010

From the desk of the Hillwood Soccer Club President-

With the Hillwood soccer season coming to a close, I would like to thank all the teams who's season has come to a close, thank your team volunteers for another outstanding job! And I wish the best of luck to all of our older teams who are in the mists of the wonderful tradition, the Seattle City Tournament, and their families for getting their players to the various city-wide game locations. As U11+ teams begin their extra session in the tournament, where the real winter-ish weather will start to come into play, I simply ask that everyone plan ahead and leave a little extra time to get to your game all in one piece!

I would also like to congratulate both the GU19 Griffins and the BU19 Yellowjackets for taking part in their very last City Tournament for the Hillwood Soccer Club. Represent with honor and pride, I commend all of your current and past coaches and managers for getting you this far, some teams have made the very long journey from U6 ball. Best of luck in your future endeavors.

Families are again reminded to follow all school and park field rules about **no dogs** on the field on game day or during practices. Both Clubs have this priority rule in effect for the safety of all parties. PLEASE LEAVE FIDO HOME!

And as always, remember, Hillwood soccer is just for kicks!
