**Written by last year's Coach of the year Dominic Nouwens:**

*Just last year I was given the opportunity to become an assistant coach for the HW Hammerheads through my high school coach Bill Wilkins. At first I was pretty nervous and frankly I showed up to the first practice and was worried about remembering all of the kid's names. Well within the first two weeks I was completely sucked in and had an experience that I*

*would not have been able to capture any other place. I soon was able to know every boy by not only their name but also how they played soccer and their personalities, which made practices more goofier but also one of the best memories of my sophomore year. It then proceeded to be the best soccer season I had ever experienced and I wasn't even playing. This kids had captured what a lot of select and high school players have forgot. To be able to have fun with the game. They not only taught me how to have fun again, but how to make the game of soccer the best part of my life.*

*-Dominic Nouwens Asst. Coach HW Hammerheads*

## Referee

If you love soccer, consider becoming a referee. It's a great way to learn more about the game and earn spending money. The minimum age for a Hillwood referee is 11 and referees can earn \$20/game.

During the summer, youth refs ages 13+ can sideline referee youth tournaments (multiple games in one day) and make some good money on the weekend.

Referee training clinics run throughout the spring/summer and are scheduled in the evenings and/or on weekends for eight hours. It requires registration and costs between \$45.00 and \$65.00 depending on the class location and an 80% or better score to pass.

Registration starts at <https://www.wareferees.org/> On the right hand side, look for "How to Become a Referee". New, young referees want to register for the Grade 9 or 8 clinics (ranking is in descending order). A list of clinics can be found here: <https://www.wareferees.org/AvailableClinics.aspx>

For current referees who want to recertify at Grade 8 or upgrade to Grade 7, check the clinics SOON! Classes are coming up quickly.

Once you certify and are ready to referee Hillwood U9 games, contact Jamie Holter at 206.719.7535 or by email at [jamiesreferees@gmail.com](mailto:jamiesreferees@gmail.com).
