

# Hillwood U10-U18 Practice Field request 2019

Practice fields and times will be assigned per team requests, whenever possible. Requests should be emailed to Eric Strandberg ([booneberg@aol.com](mailto:booneberg@aol.com)) by August 1 (subject line: "Hillwood 2019 practices *age/team name*", eg BU15 Banana Slugs). See below for requested information. Assignments will be made in early August.

Fields are generally made available for the start of practices August 19, though the Shoreline School District will once again keep the elementary school fields closed until the start of school in September. Similar to the last 4 years, we are looking to provide alternate spaces for the last 2 weeks in August, with temporary field assignments until all fields are available. Teams participating in summer tournaments and in need of city practice fields earlier than Aug 19 should also let these requests be known. Do not call the City of Shoreline directly. They will work with the Club, not individual coaches or managers.

Although Hillwood Soccer makes recommendations to SYSA regarding field location and times, we do not have control over scheduling of game fields. SYSA schedules game fields.

Below are the fields under Hillwood's jurisdiction. In general, U10 to U12 teams practice on elementary school fields; U13 to U18 teams at Twin Ponds, Shoreline B and Shorewood (note that the Einstein field will be unavailable during the 2019-2020 school year during the construction project).

Highland Terrace Twin Ponds  
Echo Lake Hillwood Park Shoreview Park  
Parkwood Sunset Shoreline B  
Syre Shorewood HS

## U10- U18 Lighted fields

Lighted fields will be assigned for use in November once daylight savings time ends. Priority will be given to teams participating in the SYSA City Tournament. If you have been scheduled on fields equipped with lights at the start of the season you will lose some time when lit field assignments are made.

## **U11 and above Teams City Tournament** 2019 City Tournament

Is your team planning to participate in City Tournament? (starts just after Thanksgiving weekend, double elimination, ends mid December)      Yes      No      Maybe
