

U6 - U9 Micro Practice Field Request

U10 and above teams have priority for assigned practice field spaces at school fields, Shoreline A&B and Twin Ponds.

U6-U9 teams are encouraged to find available space at City parks and other alternate spaces. These include:

1. Cromwell Park (particularly well suited for U6 teams)
2. Metro bus barn field (aka McCormick Park, off 163rd east of Meridian Avenue)
3. Meridian Park- small field adjacent to Shorewood baseball/softball field
4. Einstein- the field on east side of tennis courts
5. Hillwood Park- unassigned space (which may again be hosting U8/U9 group team training sessions Mondays and Tuesdays in Sept and October)
6. Richmond Beach library park
7. Shoreview Park field
8. West (lower) field at Sunset School Park
9. small field by Syre south parking lot

This year, once U10-U18 team practice assignments have been made, we will then offer assigned spaces to U9 and below teams on a space available basis. These assignments will not take place until after August 1st.

For planning purposes, please provide the following information, emailed to Eric Strandberg at booneberg@aol.com (subject line: "Hillwood 2016 practices: *age group/team name*", eg "GU9Bumblebees").
